## Application Procedure

Students must apply online at the following link-

<http://www.uow.edu.au/future/studyabroad/apply/index.html>

Please note you will be asked to upload the following documentation into your online application:

- An original copy of your academic transcript
- An original copy of your English language results (if applicable)
- A [Study Abroad and Exchange Supporting Statement Form](#) completed by their home university

Students wishing to live in University accommodation should also complete a separate housing application at <http://apply-accom.uow.edu.au> before the accommodation application deadline. Students who apply on time are guaranteed a place in University housing. Information about accommodation options can be found at <http://www.uow.edu.au/accommodation/index.html>

Students will also be asked to submit their study plan as part of the online application. For more information on how to select the subjects you will study at Wollongong, please see this page:

<http://www.uow.edu.au/future/studyabroad/yourprogram/index.html>

Students will receive instructions about how to enroll in classes (online) after their study plans have been assessed.
